## BELLALUCENT PANELS

### SUGGESTED STANDOFF PLACEMENT

THICKNESS OF PANELS

	1/8"	3/16"	1/4"	3/8"	1/2"
2'x2'					
3'x3'					
4'x4'					
3'x6'					
4'x6'					
2'x8'					
4'x8'					
4'x10'					

The stand-off patterns are suggested placements based on the sizes of the panels.

For sizes not shown use the next largest size.

#### HOLE DRILLING:

- 3/4" diameter stand-off requires a 1/2" drilled hole.
- Drill hole at least 1" in from the parameter of the panel's edge.
